The Tribal location map provides a general overview of the tribal territories and land inhabited by various tribes of Native Indians including the Southeastern Five Civilised tribes. The Tribal Location Map provides a bird's eye view of the Five Civilized Tribes and their proximately to other famous Native American tribes and their tribal territories. The Five Civilized Tribes, the Cherokee, Creek, Choctaw, Seminole and Chickasaw tribes, were removed from their land and sent to inhospitable reservations. The Five Civilized Tribes waited until 1969 when all Indians were declared citizens o Tribes locations. Countless workplace solutions. Find, compare and book a tour.
