Abstract
Janet Berlo and Norman Vorano discuss Vorano’s appointment as Curator of Inuit Art at the Canadian Museum of Civilization. In their conversation, Vorano describes his views on Inuit art in relation to ‘mainstream’ art history, the role of the museum, as well as pragmatic issues of funding and exhibition programming.

that is, the people of the Arctic previously known as Eskimos, a term that is now often considered offensive outside Alaska. Historically, their preferred medium was walrus ivory, but since the establishment of southern markets for Inuit art in 1945, prints and figurative works carved in relatively soft stone such as soapstone, serpentine, or argillite have also become popular. The art of Feng Shui is to make sure the right objects are in the right places so that the chi can flow freely around the home. This is said to create good health and financial well-being as well as improved relationships between parents and children and husband and wife. You can improve your own Feng Shui by trying some of the techniques listed below. Firstly, keep the hall of your home clear of shoes, umbrellas and other objects. From the Museum of Fine Arts' History. In 1858, Professor Herts, First Head of the History of Art Department at Moscow University argued that for 1. _ purposes, education a museum of plaster cast copies of 2._ sculptures ought fame to be set up. Let's ask (we) if we are prepared for new hard-ships. Joe was feeling rather pleased with (he). It is the party leaders (they) who made this decision. You have to have some respect for (you). As far as I know, the suggestion came from the president (he). He thoroughly enjoyed (we) in the circus. The teacher asked the pupils to write a brief essay about (they).
