Goodreads helps you keep track of books you want to read. Start by marking “Book Illustrated: Text, Image, and Culture, 1770-1930” as Want to Read: Want to Read saving… Want to Read. Book illustration has existed in some form since the advent of the written word. The tradition that has guided modern book illustration originates in western. Are We At the Start of Another Golden Age for Image/Text Collaboration? By Chris Russell. January 14, 2016. Book illustration has existed in some form since the advent of the written word. The tradition that has guided modern book illustration originates in western literature dating back to 15th-century block books, in which the text of a book was carved into the same block as the image. These works were a natural progression from the older illuminated manuscript form. As most famously seen in the Biblia Pauperum ("Pauper's Bible"), they look something like medieval graphic novels. Book Illustrated: Text, Image, and Culture, 1770-1930. No Customer Reviews. Select Format. The interaction between text and image, and the reception of images by the reading public are explored here in the context of books produced during the Industrial Revolution. The authors first presented their material as part of a lecture series at Skidmore College, where four of the contributors ar...
