This library of books, audio, video, and other materials from and about India is curated and maintained by Public Resource. The purpose of this library is to assist the students and the lifelong learners of India in their pursuit of an education so that they may better their status and their opportunities and to secure for themselves and for others justice, social, economic and political. The Universal Library Project, sometimes called the Million Books Project, was pioneered by Jaime Carbonell, Raj Reddy, Michael Shamos, Gloriana St Clair, and Robert Thibadeau of Carnegie Mellon University. The Governments of India, China, and Egypt are helping fund this effort through scanning facilities and personnel. This is the updated list of business and economics books available for free download or online reading. The books cover all the areas of economics, finance, accounting, banks and banking, money and monetary policy, international business, investing, management and leadership, small business and entrepreneurship, marketing and sales, job hunting and careers, and more. These books are made available free of charge to the reader by their respective publishers and authors. Categorized list of business books is available here. This page is updated every 6 hours.
