2 Answer the questions.

1 What is your favourite part of the story? Why?

2 Who is your favourite character? Why?
Max and Lara are brother and a sister. They are twins. The children spend another summer in a small picturesque village, not far from Stonehenge. First it seems too much boring - the nearest city is far from there, there are only forests, fields and clear air. Absolutely nothing to do! But still the curious twins will not be bored, because there's a lot of interesting things to discover around. They find an ancient mysterious symbol and a book full of ciphers and secrets. Their uncle is not who they thought he was. Max and Lara boldly take up the investigation, like real professional dete Click to find out more about the Secret of the Stones MAX slot! NetEnt's MAX concept does a good job of bringing the iconic Secret of the Stones slot into the modern era with increased volatility and potential. Low variance Classic mode or high variance MAX mode. Around the stones there is a fence. People can't touch them hut they can go very near and take photographs. «Let's get an audio-guide,» suggests Mum, «You listen and it tells you the story of Stonehenge.» Everyone gets an audio-guide and they start to walk around the enormous stone circle. Uncle Stephen walks in the opposite direction and looks at his old book of mysteries. He reads something and then looks at the stones. Then he walks away. He looks at the hills and the trees near the stones. «Hmm… three hills around the stones… yes… it is a type of triangle,» he says to himself. T
