Listen and repeat: phonology and behaviourism Perhaps the oldest method of teaching pronunciation involves exercises in elocution: imitation drills and reading aloud. The popular image of students chanting "the rain in Spain falls mainly on the plain" is still the reality of many language classrooms. With the development of recording technology and the rise of audiolingualism, such methods became the stock and trade of language teaching, and, while now widely discredited in the areas of grammar and vocabulary teaching, the "listen and repeat" approach has persisted in t Our History and Politics (BA) degree examines the political and social dimensions of history, and how historical events have influenced the world we live in today.
