Authors who publish with this journal agree to the following terms:

1. Whereas Focus on German Studies is undertaking to publish the volume named above, of which the undersigned is Author of one or more parts, the Author hereby grants and assigns to Focus on German Studies (hereafter the Press) the entire literary property and all rights of whatsoever kind in the Work and every part thereof, throughout the world and agrees that the copyright may be taken and held in the name of the Press. The Author warrants that this Work is original and that he/she is the sole author and owner of the Work and has full power to make this grant. If the Work includes material protected by copyright, the Author will provide proof of permission to include that material.

2. The Author and the Press mutually agree that publication of the Author’s work is contingent upon its acceptance for publication by the editor of the volume.

3. The Author guarantees that none of the material included in his Work has been previously published, or, if it has been previously published in whole or in part, that an assignment of copyright in the name of Focus on German Studies has been obtained. Such assignment shall be submitted with the Author’s manuscript.

4. The Press will edit the Work for style, usage, and felicity, in accordance with its usual practice. After the Work has been accepted through peer review, the Author, or the title page editor of the volume, as they shall agree between them, shall have an opportunity to read and correct the edited manuscript.

5. The Author will receive no royalty or other monetary return from Focus on German Studies for the use of this Work.

6. Focus on German Studies retains the copyright for published works; however, the Author may reprint the work provided that credit is given to FoGS as the initial source of publication.
Magnus Hirschfeld (14 May 1868 – 14 May 1935) was a German physician and sexologist educated primarily in Germany; he based his practice in Berlin-Charlottenburg during the Weimar period. An outspoken advocate for sexual minorities, Hirschfeld founded the Scientific-Humanitarian Committee. Historian Dustin Goltz characterized this group as having carried out "the first advocacy for homosexual and transgender rights". "Hirschfeld's radical ideas changed the way Germans thought about sexuality View Magnus Hirschfeld Research Papers on Academia.edu for free. The book examines little known and forgotten writings by Magnus Hirschfeld, the influential sexologist who is best known today for his homosexual activism, transgender work and founding of the world's first Institute of Sexual Science in more. The book examines little known and forgotten writings by Magnus Hirschfeld, the influential sexologist who is best known today for his homosexual activism, transgender work and founding of the world's first Institute of Sexual Science in 1919. It shows how violence impacted on queer lives around 1900, but also reveals that homosexual rights Hirschfeld was born into a conservative Jewish family, according to the Peter Tatchell Foundation, and his father, Hermann Hirschfeld, had also been a medical doctor. According to Magnus Hirschfeld by Ralf Dose, translated by Edward H. Willis, during the 1870-71 war, Hermann Hirschfeld earned a Prussian commemorative medal for the medical services he provided to French soldiers, and after his death in 1885, the residents of Kolberg even put up a monument in his behalf. Unfortunately, less than 50 years later, the residents of Kolberg destroyed the very same monument when the Nazis came to power... Hirschfeld also validated the testimony of Lilly von Elbe, Count Moltke's ex-wife. Magnus Hirschfeld is the author of Berlin's Third Sex (4.09 avg rating, 32 ratings, 5 reviews, published 1904), Transvestites (3.93 avg rating, 14 ratings... Discover new books on Goodreads. And some in dreams assurèd were. Of the Spirit that plagued us so; Nine fathom deep he had followed us. From the land of mist and snow. And every tongue, through utter drought Beyond the shadow of the ship, I watched the water-snakes: They moved in tracks of shining white, And when they reared, the elfish light. Fell off in hoary flakes. Within the shadow of the ship. I watched their rich attire: Blue, glossy green, and velvet black
