The Book of Kells is a manuscript of the gospels of rather large size (33*24 cm) written on thick glazed vellum. Its pages were originally still larger; but a binder, a century or so ago, clipped away their margins, cutting even into edges of the illuminations. Otherwise the manuscript is in relatively good condition, in spite of another earlier misadventure. The eighteenth century was the great age of British painting. It was in this period that British art attained a distinct national character. In the seventeenth century, art in Britain had been dominated largely by the Flemish artist, Anthony van Dyck. In the early eighteenth century, although influenced by Continental movements, particularly by French rococo, British art began to develop independently. Manners & morals: Hogarth and British painting 1700-1760, William Hogarth, Very. £3.79. The Lure of the East: British Orientalist Paint by Nicholas Tromans Paperback. Paintings from Books: Art and Literature in Britain, 1760-1900. Article. Sep 1989. In the burgeoning scholarly literature on the history of collecting and display of art in England, very little attention has been paid to painting collections made by institutions rather than individuals. A survey of the acquisition, collection and display of paintings, especially portraits, in post-Reformation England shows that civic bodies such as towns and boroughs, livery companies, schools [Show full abstract] and university colleges also indulged in such activities.
