Archivaria, the journal of the Association of Canadian Archivists (ACA), is devoted to the scholarly investigation of archives in Canada and internationally. Articles and other submissions are welcomed which explore the history, nature, and theory of archives and the use of archives. The journal aims to be a bridge of communication among archivists, and between archivists and users of archives.

Finding "enlightenment" in the National Archives of Canada: The commonplace book of James Sholto Douglas

January 2001 · Archivaria. M. Eamon. This article chronicles the author’s exploration of the provenance and content of the papers of James Sholto Douglas, a student at the University of Edinburgh during the 1750s. The James Sholto Douglas papers are an excellent example of the education and thought which existed during the Scottish Enlightenment; they also constitute an excellent case study of how deconstructing a record’s context can bring enlightenment.
